

## Plastic & Reconstructive Surgery

UNIVERSITY OF COLORADO ANSCHUTZ MEDICAL CAMPUS

Dear MWSPS Members,

I am honored to announce that the 5th Annual Mountain West Society of Plastic Surgeons (MWSPS) Meeting will be held at the Westin Snowmass Resort in Aspen from February 27 to March 1, 2020.

In addition to a top-notch scientific program, this CME accredited meeting will feature world class skiing, ski in/out accommodations, fitness center and spa facilities, and easy access to downtown Aspen. A central theme to our meeting is to provide the best educational opportunities to our members in an informal and collegial environment.

The meeting will feature the latest topics in aesthetic and reconstructive plastic surgery with talks from local experts and invited speakers from across the country. Our focus on resident education continues this year with a poster session, oral presentations by resident attendees, and our mock oral examinations.

Our keynote speaker is internationally recognized leader in plastic surgery and editor of the PRS journal, Rod J. Rohrich, MD, FACS. Scott Hultman, MBA, MD, who is the Plastic Surgery Foundation (PSF) President-Elect will also be presenting at the meeting on behalf of the American Society of Plastic Surgeons and the PSF.

For those new to the MWSPS, we are a regional society focused on promoting education, collaboration, research and friendship throughout the area. In 2016, the University of Colorado hosted the first MWSPS meeting in Winter Park, Colorado and since then, the Society and meeting have grown significantly. Under the leadership of Richard Baynosa, The University of Las Vegas, Nevada hosted a great meeting last year with record attendance and many on-site registrants for this upcoming meeting in 2020.

While the Mountain West Region traditionally encompasses Arizona, Colorado, Idaho, Montana, Nevada, New Mexico, Utah, and Wyoming, we welcome anyone who is involved with the care of plastic surgery patients or in plastic surgery research at our meetings.

We are proud to say that, over the years, we have hosted speakers and attendees globally and across the nation. Moreover, we invite residents from all training programs in the United States to submit abstracts for consideration for presentation and to participate in our mock orals.

We welcome you to the Mountain West Society of Plastic Surgeons and thank those who have continued to support the Society. We are looking forward to yet another memorable meeting.

Tae Chong, MD  
President, Mountain West Society of Plastic Surgeons

Mountain West Society of Plastic Surgeons  
444 E. Algonquin Rd.  
Arlington Heights, IL 60005
